

Guidelines for TCS National Qualifier Test 2018-19

While the registrations for TCS National Qualifier Test are underway, with last date for 'Apply for Drive' being 20th Aug, 2018, we wanted to reiterate a few aspects unique to this drive which you can note, along with the link of the sample paper for TNQT.

1. TNQT is open to Engineering students (BE/B Tech/ ME/M Tech with YOP - 2019) of all streams / specializations. and even for MCA / MSc students with background of Computer Science, Information Tech, Maths, and related branches

2. The compensation for Ninja Profile is 3.36 LPA (UG) and 3.53 LPA (PG)

3. The students who perform very well in TNQT will also have a chance to appear for Digital Profile with a compensation of 7 LPA (UG) and 7.3 LPA (PG)

4. The coding section will have options of 5 programming languages from which students can choose to solve the coding problem - C, C++, Java, Perl & Python

5. Sample
