**Adani Group is one of the leading business conglomerates & the largest integrated infrastructure group in India with revenue of about \$13 billion.**

Over three decades, the group has emerged as a global player with business operations spread across key sectors like energy, resource, logistics, and agro, among others. Since inception, the group has been focused on serving the diverse needs of people, delivering strong value propositions and contributing to nation building along the way.

At Adani we have re-formulated our Vision 2020 and synced it with our natural philosophy of Growth with Goodness. We are emerging as a globally admired leader in integrated infrastructure businesses. Our belief of 'Scaling Business' is driven by our ambition for scale, speed of execution and quality of operation.

Adani Energy Businesses comprises of the following units:

Adani Power | Empowering India. Shaping A New Future. | The largest private thermal power producer in India.

Adani Transmission | Connecting Customers. Driving Value. | Committed to transcending the challenges and finding innovative ways to take electricity to the remotest corners of the nation.

Adani Solar | Get SUNplugged | India's first & largest vertically integrated solar company that offers products along with services across photovoltaics manufacturing.

Adani Electricity | The power of service | Integrated Generation, Transmission and Distribution utilities powering Mumbai city.

The sheer dynamism of the Group has helped Adani Energy Businesses grow tremendously since its inception as well as incubate successful new businesses. As a result, the Adani Energy Businesses today is one of the largest businesses of the Adani Group.

Adani group provides an open and dynamic work environment where organisation believes in people and also recognises that its success and growth are driven by people and is dependent on people capabilities.

Take your career on a faster track with Adani.
